

# What Did the Birds Do Today?

April 13, 2011

We had our first PA One Book reader this morning from Step! He read the story *Whose Shoes?* We thoroughly enjoyed the story and our guest reader, as you can tell by the group hug we offered him!

The children also made a graph to see how many pets we had at home. 13 of us have dogs, 9 of us have cats, 7 of us have fish, and 1 child has a hermit crab! Look for our chart. It is huge!

Some of you may have witnessed our classroom construction project going on this morning. We added a puppet theatre window and some soft puppets to the room. We also spent time in the Butterfly room pretending to be the animals on Old MacDonald's Farm. Then, we did some rhythmic clapping with a partner to Pat-a-Cake!
