

## 2020-2021 SERVICE YEAR

The STEP AmeriCorps program partners with numerous non-profit organizations and schools in Lycoming and Clinton Counties to provide service opportunities to meet the region's community needs. STEP AmeriCorps members are responsible for expanding the capacity of nonprofit organizations as well as enhancing the knowledge of customers as it relates to various health-related programs. Members participate in various types of training such as emergency preparedness and response, civic engagement and service-learning, leadership, and job readiness trainings.
