EXCITING OPPORTUNITIES IN CLINTON AND LYCOMING COUNTIES!**

STEP AmeriCorps is currently recruiting members for the upcoming service year that begins August 26, 2021. AmeriCorps is the national service program that provides thousands of Americans of all ages and backgrounds with education awards in exchange for a year of community service. Fulltime members who complete their service earn a Segal AmeriCorps Education Award of \$6,345.00 to pay for college, graduate school, or vocational training at eligible institutions, or pay back qualified federal student loans. Reduced fulltime members received an education award of \$4,441.50 and halftime members receive an education award of \$3,172.50. If a member is 55 years of age or older, that member may transfer the award to a child, grandchild, or foster child. AmeriCorps members receive a modest biweekly living allowance (amount is based on slot type), student loan forbearance, health coverage if not currently covered (fulltime and reduced fulltime members only), and childcare assistance for those who qualify (fulltime and reduced fulltime members only), while participating. AmeriCorps is not employment. Members who serve will, however, gain valuable life and career experience, obtain personal and professional training, and discover the satisfaction that they have made a real difference in their community.
